Through

The Secretary to Board,

Land Revenue, Madras.

Sir,

Establishment - Temporary - Mangalore Municipality - Land Acquisition - Special staff - Retention - Sanction - Applied for -

Ref:- G.O.No.Ms.417 dated 16-2-1938.

****

In G.O.No.Ms.417, Revenue Department, dated 16.2.38 sanction was accorded for the retention of the Special staff for work connected with the acquisition of lands required by the Mangalore Municipality for a period of six months. The sanction expires on 1.9.38 as the special staff was actually entertained on 2.3.38 (forenoon).

2. The work relating to the acquisition of lands within the Mangalore Municipality continues to be heavy as stated by the Revenue Divisional Officer, Mangalore in his letter Ref.C.No.3529-38-M dated 29.6.38, a copy of which is herein enclosed. The cost of the special establishment will be met by the Mangalore Municipality. I also enclose a copy of resolution No.54 dated 11.7.38 of Mangalore Municipal Council agreeing to bear the cost of the special staff (one Revenue Inspector and his peon) for a further period of six months. The retention of the staff for a further period of 6 months will be necessary. I request that sanction may be obtained for the entertainment of the special staff for a further

period of six months from 2-9-38 (forenoon).

For Collector.

28.7.38

From Sri M.S.Jagannayakulu Nayudu, B.A.,
Revenue Divisional Officer, Mangalore.
To the Collector of South Kanara, Mangalore.
Mangalore dated 29th June 1938.
Ref.No.3529-38-M.

Establishment -(temporary) - South Kanara District - Mangalore Municipality - Land Acquisition - Special staff - Retention - Sanction - Requested -

Reference:- G.O.No.Ms.417/Revenue Department, dated the 16th February 1938 communicated with your D.Dis.No. 385/38 dated 22-2-1938.

According to the sanction conveyed in G.O.No.Mis.417 Revenue Department, dated the 16th February 1938, communicated with your endorsement D.Dis.No.385/38 dated 22-2-1938, the term of the special staff employed for work connected with the acquisition of lands required by the Mangalore Municipality will expire on 1-9-1938 as the special staff was actually entertained on 2-3-1938 (forenoon). There are now 19 Municipa land acquisition cases pending final disposal on my file and the stages at which these stand are noted below:-

(1)	Pending submission of Section 4(1) notifications.	...	1
(2)	Pending publication of Section 4(1) Notifications.	...	7
(3)	Pending submission of section 6 declarations.	...	3
(4)	Pending the passing of awards.	...	5
(5)	Pending final closing of files.	...	3
(6)	Total.	...	19

2. In addition to the above land acquisition cases, the Municipal Council, Mangalore, has yet to send acquisition proposals in respect of two out of the five items referred to in the Municipal Commissioner's letter Ref. D-2/4432-37 dated 5-1-1938 in reply to my Ref.No.M-6339-37 dated 8.12.1937.

These items are (i) Rounding the corner of Ansari Road, and (ii) Acquisition of the five plots left out of acquisition in the Gudiga Mithiu Town Planning Scheme. I also expect to receive shortly proposals for the acquisition of T.S.Nos.185/2 and 186/1 and 2 of Kasba Bazaar village, required by the Municipality for the Market Ward Block No.10 Town Planning Scheme, dealt with in your L.Dis.No.3706-38, dated 25.6.1938. The Municipal Council has, under Section 23 of the Madras Town Planning Act, filed before me, as the Arbitrator of the Scheme, its claim for betterment contribution in respect of the Palnir Town Planning Scheme, sanctioned in G.O.No.1631, Local Self-Govt.Dept., dated 3.8.1937. This claim relates to as many as 426 plots, involving, in all, about 400 interested parties. Though under Section 27 of the Madras Town Planning Act the employment of sufficient establishment to assist the Arbitrator to discharge his duties is permissible, no provision has yet been made for the entertainment of such establishment. The scriptory and other routine work, not to mention the field work, involved in these cases is too heavy for the members of my regular establishment to cope with and they cannot reasonably be expected to do this additional work without prejudice to the usual work expected of them. The retention of the Special staff for a further period of at least six months is thus essential.

3. I therefore request that you may be pleased to take steps for obtaining the requisite sanction of Government for the retention of the existing special staff for an additional period of six months from 2.9.1938 for the present on the usual conditions.'
